Purpose: The purpose of this MoU is to formalize the collaboration between the College and the Company to enhance educational experiences, promote industry-relevant skills, and foster mutually beneficial relationships between academia and industry.

Scope: This MoU covers the following areas of collaboration:

- **Placement:** Facilitating employment opportunities for students of the College at the Company, including recruitment drives, job fairs, and campus interviews.
- **Industrial Visits:** Organizing visits for students to the Company's facilities to provide them with practical insights into industrial operations and processes.
- **Vocational Training and Certification (VAC):** Offering vocational training programs and certifications to students in collaboration with the Company to enhance their employability.
- **Internship:** Providing internship opportunities for students to gain practical experience and exposure to real-world projects and challenges within the Company.
- **Research Collaboration:** Collaborating on research projects, joint initiatives, and knowledge-sharing activities to promote innovation and academic-industry synergy. The Company and the College recognize the importance of research collaboration in advancing knowledge, innovation, and technology transfer between academia and industry.

IT Services: IT services encompass a broad range of offerings, including software development, network administration, cloud computing, technical support and digital infrastructure.

Confidentiality: Both parties agree to maintain confidentiality regarding any proprietary or sensitive information shared during the course of collaboration under this MoU.

Duration: This MoU shall come into effect on the date of signing and shall remain valid for a period of 5 years. It may be extended or terminated by mutual agreement in writing by both parties.

Tenure:

The two parties will work towards the common cause of providing knowledge to the students. The terms and conditions of this MOU hereby acknowledged and accepted by each of the parties.
